APRIL 13<sup>TH</sup> 2018

## **SUBJECT : 38TH SURTARANG - NATIONAL SINGING TALENT HUNT 2018**

Dear Regional Heads,

It gives us an immense pleasure to write to you regarding our forthcoming **38<sup>th</sup> Surtarang – National Singing Talent Hunt 2018**.

Let me on the onset thank you very much for your excellent support on our last year's event. You all appreciated the financial constraints of the group and accommodated.

**Sonu Nigam was deeply pleased that we are continuing to carry on this musical heritage for last 37 years.**

This is an advance intimation to all of you to start preparing for next talent hunt.

We are in touch with the organization Steelbird Helmet, who had very gracefully come forward and offered to support this cause in future.

The details of our association are being worked out, we would subsequently be in touch with you. Please wait for the further confirmation from Steelbird side whose LOGO will also be displayed in the backdrop in all the regions.

If possible, we are contemplating to organize as always, a National Conference of Regional Heads for further policy guidelines, sponsor's expectations and our exchange of thoughts with all of you to make the program a grand success.

***As a part of our vision, this year you may further build new chapters/ sub-chapters with the music lovers who have the passion to extend Sangam Kala Group's wings and to reach still larger number of audience. For the same, please seek the approval of our SKG Central Council or email your proposal on [surtarang.sangam@gmail.com](mailto:surtarang.sangam@gmail.com);***

Please start your planning for this year event.

Wishing you all the best.

VSK Sood

National President  
Sangam Kala Group
